**ANNOUNCEMENT
CONTINUING CONNECTED TRANSACTIONS
PURSUANT TO RULE 14A.60 OF THE LISTING RULES**

The Board announces that on 20 June 2022, the Company has completed the acquisition of 84.68% equity interest in Shenzhen Jingneng Leasing. Upon completion of the acquisition, Shenzhen Jingneng Leasing has become a non-wholly owned subsidiary of the Company.

Prior to completion of the acquisition, Shenzhen Jingneng Leasing had provided sale and leaseback services, direct finance leasing services and factoring services to associates of BEH, the controlling shareholder of the Company, directly and indirectly holding approximately 68.68% interest in the total issued share capital of the Company and entered into relevant agreements with them. In addition, Beijing Jingneng Leasing, a wholly-owned subsidiary of BEH, had entered into the operation management service agreement with Shenzhen Jingneng Leasing, pursuant to which, Beijing Jingneng Leasing had agreed to provide operation management services to Shenzhen Jingneng Leasing. According to Chapter 14A of the Listing Rules, BEH and its associates are connected persons of the Company. Therefore, the above transactions become continuing connected transactions of the Company after the completion of the acquisition.

Pursuant to Rule 14A.60 of the Listing Rules, the Company is required to comply with the annual review and disclosure requirements under Chapter 14A of the Listing Rules, including publishing an announcement and annual reporting in respect of the above continuing connected transactions between Shenzhen Jingneng Leasing and the associates of BEH. The Company will further comply with all applicable reporting, disclosure and independent shareholders' approval requirements under Chapter 14A of the Listing Rules upon any variation or renewal of such agreements.

INTRODUCTION

References are made to the announcements of the Company dated 10 May 2022, 30 May 2022 and 20 June 2022 and the circular of the Company dated 30 May 2022, in relation to the absorption and merger of Beijing Jingneng International Power Co., Ltd. () by BEH, and the transfer of its 84.68% equity interest in Shenzhen Jingneng Leasing to the Company and the settlement of consideration by the Company in form of 20% equity interest in Beijing Jingneng International Power Co., Ltd. and cash.

The Board announces that on 20 June 2022, the Company has completed the acquisition of 84.68% equity interest in Shenzhen Jingneng Leasing. Upon completion of the acquisition, Shenzhen Jingneng Leasing has become a non-wholly owned subsidiary of the Company.

The factoring principal amount, interest rate and financing term were agreed between the parties after arm's length negotiations and are on normal commercial terms.

Factoring Framework Agreement

On 16 June 2022, Shenzhen Jingneng Leasing entered into a factoring framework agreement with Beijing Jingneng Leasing, pursuant to which upon the application of Beijing Jingneng Leasing, Shenzhen Jingneng Leasing will accept the account receivables of Beijing Jingneng Leasing from its finance lease business and provide financing factoring services to Beijing Jingneng Leasing from time to time for a term of one year.

The principal terms of the factoring framework agreement are set out below:

Date: 16 June 2022

Parties: (i) Shenzhen Jingneng Leasing; and
(ii) Beijing Jingneng Leasing.

Principal amount: The total factoring principal amount under the factoring framework agreement shall not exceed RMB1.578 billion. For each specific transaction under the factoring framework agreement, Shenzhen Jingneng Leasing will separately enter into a specific agreement with Beijing Jingneng Leasing on normal commercial terms and in accordance with the factoring framework agreement. The principal amount will be settled by Shenzhen Jingneng Leasing by bank transfer.

Pricing policy: Shenzhen Jingneng Leasing shall provide the financial factoring services on normal commercial terms at an interest rate not higher than the market interest rate.

Term: The factoring framework agreement will be valid for a term of one year, effective from the signing date of the factoring framework agreement.

FINANCE LEASE BUSINESS FRAMEWORK AGREEMENT AND SUPPLEMENTAL AGREEMENTS

On 15 May 2020, Shenzhen Jingneng Leasing and Beijing Energy International entered into the finance lease business framework agreement, pursuant to which Shenzhen Jingneng Leasing has agreed to provide financial leasing services to Beijing Energy International and its subsidiaries for three years ending 31 December 2022, subject to the terms and conditions provided therein.

The principal terms of the finance lease business framework agreement are set out below:

Date: 15 May 2020

Parties: (i) Shenzhen Jingneng Leasing; and
(ii) Beijing Energy International.

Scope of finance lease services: Pursuant to the finance lease business framework agreement, Shenzhen Jingneng Leasing and/or its associates will provide financial leasing services, including but not limited to, direct leasing and sales and leaseback services to Beijing Energy International and its subsidiaries. It is anticipated that assets which would be subject to finance leases contemplated under the finance lease business framework agreement include power generation equipment for renewable energy.

(1) Direct leasing service

Upon the requests or instructions of Beijing Energy International and its subsidiaries, Shenzhen Jingneng Leasing and/or its associates will provide financial leasing solutions to Beijing Energy International and its subsidiaries for the purchase of equipment, and will make the payment for the equipment to the suppliers in accordance with the conditions set by Beijing Energy International and its subsidiaries and charge lease rental for the equipment according to the schedule. All lease rental will be settled by Beijing Energy International and its subsidiaries in cash.

(2) Sale and leaseback service

According to the financing needs of Beijing Energy International and its subsidiaries, Shenzhen Jingneng Leasing and/or its associates will purchase equipment owned by Beijing Energy International and its subsidiaries that meet the requirements of leaseback business to the extent permitted by law, and lease such equipment to Beijing Energy International and its subsidiaries and charge lease rental. All lease rental will be settled by Beijing Energy International and its subsidiaries in cash.

Annual caps and basis for annual caps:

The lease consideration consists of the lease interests and handling fees, etc. The lease consideration will be determined by Shenzhen Jingneng Leasing and/or its associates and Beijing Energy International and its subsidiaries after arm's length negotiations and with reference to the market price of the same type of financial leasing assets.

The proposed annual caps for the finance lease business framework agreement with Shenzhen Jingneng Leasing are RMB500 million for each of the three years ending 31 December 2022, which are determined taking into account, among other things, (i) the currently ongoing arrangements of certain financial leases between Beijing Energy International and independent third parties; (ii) the nature and carrying value of lease assets; and (iii) the expected demand for the financial leasing services of Beijing Energy International and its subsidiaries in accordance with their current business strategy.

On 5 August 2020, Shenzhen Jingneng Leasing and Beijing Energy International entered into a supplemental agreement to the finance lease business framework agreement to refine the scope of services to be provided, pursuant to which the scope of finance lease services to be provided by Shenzhen Jingneng Leasing and/or its associates to Beijing Energy International and its subsidiaries would be limited to direct lease services only. Save for the amendments in the supplemental agreement, all other terms of the finance lease business framework agreement remain unchanged.

In light of the business needs of Beijing Energy International, on 9 March 2022, Shenzhen Jingneng Leasing and Beijing Energy International entered into the second supplemental agreement to the finance lease business framework agreement to adjust the annual cap of the transactions contemplated under the finance lease business framework agreement for the year ending 31 December 2022. Pursuant to the second supplemental agreement, the annual caps for the transactions contemplated under the finance lease business framework agreement for the year ending 31 December 2022 would be increased to RMB3,000 million. Save for the above amendment, all other terms of the finance lease business framework agreement remain unchanged.

OPERATION MANAGEMENT SERVICE AGREEMENT

On 28 December 2021, Shenzhen Jingneng Leasing entered into an operation management service agreement with Beijing Jingneng Leasing, pursuant to which, Beijing Jingneng Leasing has agreed to provide to Shenzhen Jingneng Leasing operation management services.

On 24 April 2022, Shenzhen Jingneng Leasing and Beijing Jingneng Leasing entered into a supplemental agreement to the operation management service agreement to adjust the payment terms of the operation management service agreement.

Details of the operation management service agreement are set out below:

Date: 28 December 2021

Parties: (i) Shenzhen Jingneng Leasing; and

(ii) Beijing Jingneng Leasing.

Service term: One year from 1 January 2022 to 31 December 2022

Transaction: Beijing Jingneng Leasing shall provide operation management services to Shenzhen Jingneng Leasing, including business development, business operation, financing management and daily assets operation management.

Service fees: The service fees paid by Shenzhen Jingneng Leasing to Beijing Jingneng Leasing consist of a fixed part and a floating part.

The fixed part is for the daily services provided by Beijing Jingneng Leasing to Shenzhen Jingneng Leasing.

The floating part is calculated by 2‰ of the total volume of business handled by Beijing Jingneng Leasing for Shenzhen Jingneng Leasing as of the expiry date (31 December 2022) of the operation management service agreement.

The service fees are determined by both parties after arm's length negotiation with reference to the prevailing market price and be no less favourable to Shenzhen Jingneng Leasing than the prices from Independent Third Parties.

Payment Terms: Shenzhen Jingneng Leasing shall make a one-time payment to Beijing Jingneng Leasing of the fixed service fee and the floating service fee within one month after the expiry date (31 December 2022) of the operation management service agreement.

Pursuant to the supplemental agreement dated 24 April 2022, Shenzhen Jingneng Leasing shall pay Beijing Jingneng Leasing the fixed service fee and the floating service fee semi-annually, with 30 June and 31 December as the settlement date respectively.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCING LEASING AGREEMENTS, FACTORING AGREEMENTS AND OPERATION MANAGEMENT BUSINESS AGREEMENT

Shenzhen Jingneng Leasing primarily provides financial leasing services and commercial factoring business services in relation to financial leasing to the public and members of the BEH. The sale and leaseback agreements, direct finance leasing agreements, factoring agreements, factoring framework agreement, finance lease business framework agreement and the relevant ancillary agreements are transactions carried out in the ordinary and usual course of business of Shenzhen Jingneng Leasing. The terms of such agreements (including the interest rate) were arrived at by Shenzhen Jingneng Leasing and the counterparties after arm's length negotiations, with reference to prevailing commercial.

Beijing Jingneng Leasing, a wholly owned subsidiary of BEH, as compared to the Independent Third Party service providers, is more familiar with Shenzhen Jingneng Leasing's business and demands and is able to provide services in a more efficient and timely way. In addition, Beijing Jingneng Leasing has been engaged in financial leasing business for many years, has cultivated a professional management and operation team, and has more customer resources in the energy field, which will contribute to the further development of Shenzhen Jingneng Leasing.

No Director has any material interest in the sale and leaseback agreements, direct finance leasing agreements, factoring agreements, factoring framework agreement, finance lease business framework agreement, the operation management service agreement and the relevant ancillary agreements.

Having considered (i) the financial background of such lessees, (ii) the interest income to be received by Shenzhen Jingneng Leasing, and (iii) the operation management services to be received by Shenzhen Jingneng Leasing, the Directors (including the independent non-executive Directors) are of the view that the terms of the sale and leaseback agreements, direct finance leasing agreements, factoring agreements, factoring framework agreement, finance lease business framework agreement, the operation management service agreement and the relevant ancillary agreements and the transactions conducted thereunder are on normal commercial terms and in the ordinary and usual course of business of the Group, fair and reasonable and in the interests of the Company and the shareholders as a whole.

LISTING RULES IMPLICATIONS

BEH is the controlling shareholder of the Company, directly and indirectly holding approximately 68.68% interest in the total issued share capital of the Company. BEH and its associates are therefore connected persons of the Company under Chapter 14A of the Listing Rules. Accordingly, the transactions contemplated under the sale and leaseback agreements, direct finance leasing agreements,

factoring agreements, factoring framework agreement, finance lease business framework agreement, the operation management service agreement and the relevant ancillary agreements constitute connected transactions of the Company under Chapter 14A of the Listing Rules.

Pursuant to Rule 14A.60 of the Listing Rules, the Company is required to comply with the annual review and disclosure requirements under Chapter 14A of the Listing Rules, including publishing an announcement and annual reporting in respect of the continuing connected transactions under the sale and leaseback agreements, direct finance leasing agreements, factoring agreements, factoring framework agreement, finance lease business framework agreement, the operation management service agreement and the relevant ancillary agreements. The Company will further comply with all applicable reporting, disclosure and independent shareholders' approval requirements under Chapter 14A of the Listing Rules upon any variation or renewal of such agreements.
